

54	flange clamp for electric heating elements
53	heating element
52	LED display
51	O-ring washer
50	water inlet connector
49	O-ring washer
48	holder
47	adjusting spool of connector
46	adjusting knob
45	stainless steel filter
44	sealed ring
43	hexagon bolt
42	elastic washer 4
41	plain washer 4
40	spring washer 4
39	hexagon nut
38	M6x2 screw
37	pipe connected to gas hood
36	sealed washer
35	adjusting knob
34	STENB-C-II screw
33	decoration strip
32	feedback electrode holder
31	lytikon electrode
30	front panel white powder coating
29	aluminum foil
28	mic insulation
27	temperature display box
26	M6x8 screw
25	drain valve
24	water valve
23	burner
22	holder
21	heat exchanger
20	thermal insulation board (and pressure switch)
19	air pressure switch
18	air suction pipe
17	coil
16	capacitance
15	exhaust system
14	STENB-C-II screw
13	thermostat
12	back cover
11	bracket of control box I
10	main PCB
9	feedback electrode
8	injector
7	M6x8 screw
6	M6x8 screw
5	temperature sensor
4	power cord
3	gas valve
2	M6x6 screw
1	1/2" plastic pipe cap
