

Montagehandleiding / Instructions de montage / Montagehinweis / Mounting instructions
Afmetingen / Dimensions / Abmessungen 2-pijps / 2 tubes / 2-leiter / 2-pipe

Afmetingen / Dimensions / Abmessungen 4-pijps / 4 tubes / 4-leiter / 4-pipe

	Type > L70	L90	L110	L130	L150
A	72.30 cm	92.30 cm	112.30 cm	132.30 cm	152.30 cm
B	28.45 cm	38.45 cm	48.45 cm	58.45 cm	68.45 cm
	2-pijps 14 kg	20 kg	23 kg	26 kg	31 kg
	4-pijps 17 kg	22 kg	25 kg	29 kg	34 kg

- standaard hydraulische aansluiting 3/4" (Eurocone) links / elektrische aansluiting rechts
- raccordement hydraulique 3/4" (Eurocone) standard à gauche / électrique à droite
- Hydraulische Anschluß 3/4" (Eurocone) Standard Links / elektrischer Anschluß rechts
- hydraulic connection 3/4" (Eurocone) standard to the left / electrical connection on the right side

Optie / option / Option

- de warmtewisselaar is omkeerbaar: [hydraulische aansluiting rechts / elektrische aansluiting links]
- l'échangeur de chaleur est réversible: [raccordement hydraulique à droite / électrique à gauche]
- der Wärmetauscher ist umkehrbar: [Hydraulische Anschluß rechts / elektrischer Anschluß links]
- the heat exchanger is reversible: [hydraulic connection right / electrical connection to the left]

Onderdelen / Parts / Teile

2 x - ophanghaken / Support / Brackets / Wandhaken

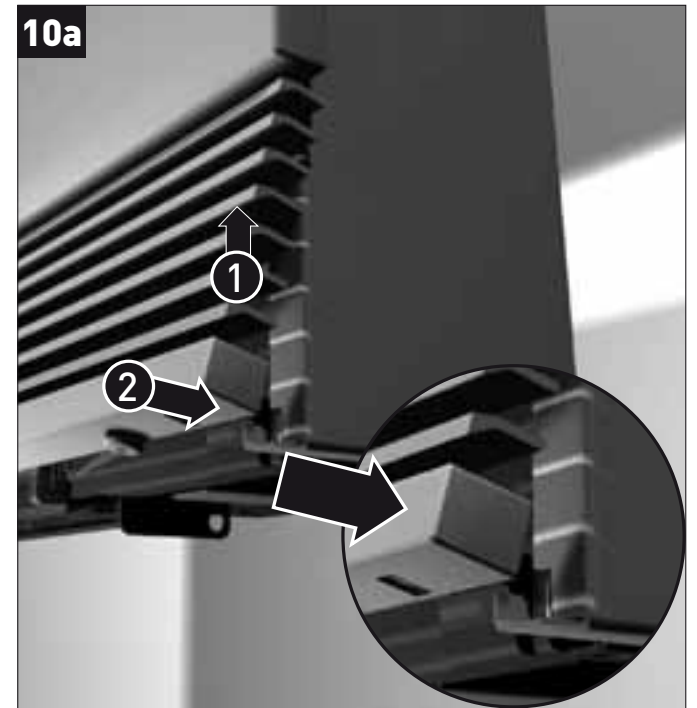

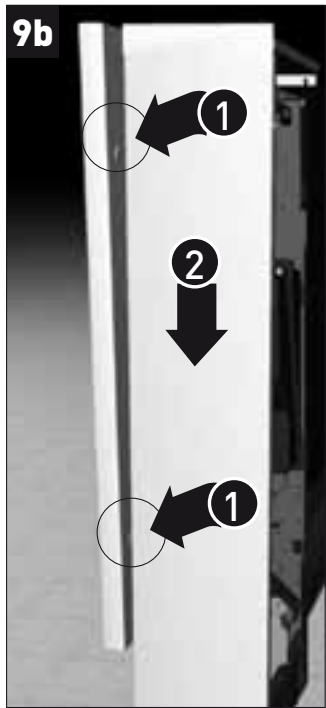

6 x

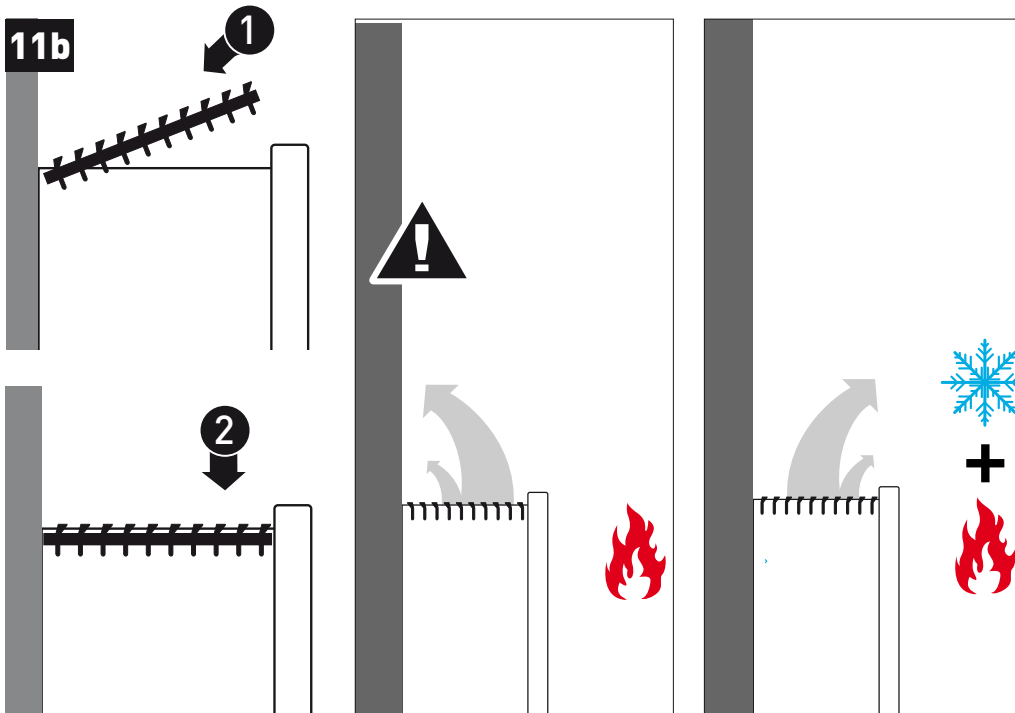

- het type wand, vol of hol, bepaalt welk soort plug en schroef gebruikt dient te worden.
